

## Submission for OMB Review; Comment Request

Revision: Form N-14

Notice is hereby given that, under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“Paperwork Reduction Act”), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

Form N-14 (17 CFR 239.23) is the form for registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) (“Securities Act”) of securities issued by management investment companies registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (“Investment Company Act”) and business development companies as defined by Section 2(a)(48) of the Investment Company Act in: (1) a transaction of the type specified in rule 145(a) under the Securities Act (17 CFR 230.145(a)); (2) a merger in which a vote or consent of the security holders of the company being acquired is not required pursuant to applicable state law; (3) an exchange offer for securities of the issuer or another person; (4) a public reoffering or resale of any securities acquired in an offering registered on Form N-14; or (5) two or more of the transactions listed in (1) through (4) registered on one registration statement. The principal purpose of Form N-14 is to make material information regarding securities to be issued in connection with business combination transactions available to investors. The information required to be filed with the Commission permits verification of compliance with securities law requirements and assures the public availability and dissemination of such information.

Without the registration statement requirement, material information may not necessarily be available to investors.

Estimates of the average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. The collection of information under Form N-14 is mandatory. The information provided under Form N-14 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Notes:

<sup>1</sup> The Commission's estimates concerning the allocation of burden hours and the relevant wage rates are based on consultations with industry representatives and on salary information for the securities industry compiled by the Securities Industry and Financial Markets Association's Office Salaries in the Securities Industry 2013. The estimated wage figures are modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, overhead, and adjusted to account for the effects of inflation. *See* Securities Industry and Financial Markets Association, Report on Management & Professional Earnings in the Securities Industry 2013.

As summarized in Table 1 above, the Commission has previously estimated that about 253 funds will make about 253 filings on Form N-14 each year, incurring 125,883 hours of internal hour burden at a cost of about \$43.78 million. The hour burden estimates for preparing and filing reports on Form N-14 are based on the Commission's experience with the contents of the form. The number of burden hours may vary depending on, among other things, the complexity of the filing and whether preparation of the forms is performed by internal staff or outside counsel.

The amendments to Form N-14 to permit BDCs to incorporate certain information by reference into that form to the same extent as registered closed-end fund are expected to decrease the burden and costs for BDCs that prepare and file Forms N-14. As summarized in Table 1 above, we estimate that the total internal burden associated with N-14 will be 125,260 hours, at a cost of approximately \$37,856,382.
